*The Oldest Negro Medical Society
in the World*

1887—1931

June 16, 17, 18, 1931

WILLISTON HIGH SCHOOL
WILMINGTON, N. C.

THIS session of THE OLD NORTH STATE MEDICAL, DENTAL AND PHARMACEUTICAL SOCIETY will vary its program somewhat from the usual procedure in the past. The Executive Board, appreciating the economic strain our men have labored under during the year, have decided to lay less stress at this meeting upon the academic side of the program and discuss some of the larger problems affecting our profession, and at the same time make our program short and snappy so our men will have some time to spend at the beach. This meeting is to be known as our "Recreation Meeting."

Our sessions will be held promptly at 10:00 A. M. daily and close at 2:00 P. M. sharp.
